Supporting Nomination

Your application for membership of the British Society will not be accepted without the email response of a **Full Member** nominating you for membership. In instances where no full member is available you must submit a copy of your CV along with a short Academic reference.

Proposers Name: …… Proposers Email: ……..

The British Society for Cell Biology does not sell or rent your personal information to others. Your details will be added to the BSCB database in order to process your membership and so that you can be kept up to date with relevant membership information.
As a member of the Society, by completing this form, I agree to my name, contact details and email address being held on the BSCB database, maintained by the committee in conjunction with Hg3 in accordance with the Data Protection Act 2002. I also agree to update my details, if these change, by using the secure member log in area.
□ The British Society for Cell Biology and selected partners may wish to contact you about products and services that may be of interest to you. If you wish to receive these emails, please tick this box.
□ The British Society for Cell Biology operates an Online Directory. Please tick this box if you do NOT want your contact details to be published on the website.
